Products							

*Upper layers of the epidermis

Directions for use:

Mix briskly 30 gr. / 0.066 Lbs of powder with 90 gr. / 0.20 Lbs of water in a bowl, for about 1 mn 30. Apply a thick layer on face and neck with a spatula. Leave it on for 20 minutes. Remove the mask starting with the neck. Use a damp cotton pad to remove residues. For an intensive treatment, apply our Super Concentrated Serums before the Peel-Off Mask.
